

Parent Referral Program

RECEIVE A REWARD STARTING AT \$500 FOR YOU AND YOUR FRIENDS!

At Macquarie College, we know the best and most trusted recommendations come from friends or family who share first hand their positive experience with us. That's why we've developed our Parent Referral Program.

HOW DOES IT WORK?

When you personally refer friends or family with a school aged child to Macquarie College you will receive a Referral Reward valued at \$500. If the family has more than one child, a \$300 reward for a second enrolled child and \$200 for a third (or more) enrolled child/ren from the same family will also be given.

Your friend will also receive the same reward so you both benefit!

There is no limit on the amount of referrals you can make. The more referrals you make, the more you earn.

WHO IS ELIGIBLE?

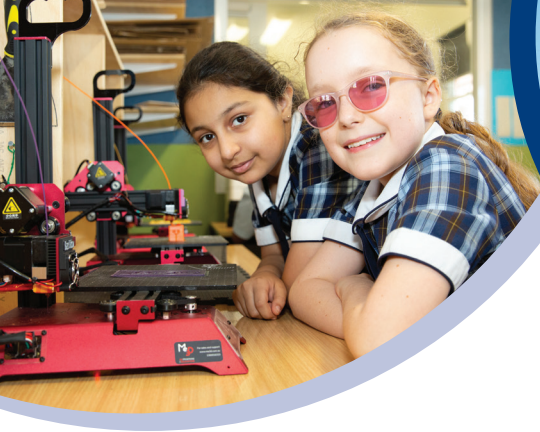

All current Macquarie College families are eligible to receive referral rewards, including those in the Macquarie College Preschool.

HOW DOES THE REFERRAL REWARD WORK?

Collect your Macquarie College Referral Program Voucher from the College Office at any time. Complete your details, and then pass the Voucher to your family or friends to fill in and attach to their completed Application for Enrolment form, before returning it to the College Office for processing. Turn over for terms and conditions for this program.

More than just a school – Macquarie College is a community. We look forward to welcoming your like minded family and friends, and thank you for the trust and confidence you demonstrate by allowing us to be a part of the education of your children.
