

MACQUARIE COLLEGE  
*Preschool*

## CAMPUS PARKING

### **Carpark 3**

- Please note that cars must enter Carpark 3 by proceeding around the top roundabout and then down past the Preschool, turning left into the carpark. Cars are not permitted to make a right hand turn across the double lines. This is an important safety issue.
- Drivers are not permitted to park or leave their cars in the drop-off and pick-up only zones on the roadside to the Junior School campus. The relevant zones are clearly marked.

### **Right-hand turn into the College**

- The right-hand turn through the main College entrance is not permitted during the period of heavy traffic between 2:45pm-3:00pm. This is an important safety issue.
- For those coming to collect children from Preschool, please do your best to avoid this time and come after 3:10pm.
